	Lista de piezas															
Elemento	Cantidad	Número de pieza														
A	1	1	Camara													
2	1	Sosten Cam														
3	1	Guia Camara														
4	1	Varilla de aluminio														
5	1	Sosten Iman														
6	1	Varilla Roscada														
B	7	1	Cuerpo Medio Aluminio													
8	1	Soporte Rodamiento Inferior														
9	1	Base motor Superior														
10	1	Guia Cables														
11	1	Funda Motor														
12	1	Polea grande														
13	1	Polea chica														
C	14	1	Tensor Correa													
15	1	Base tuercas														
16	1	Nema 17														
17	5	Rodamiento 22mm														
18	1	Correa GT2 x 150mm														
19	16	Tornillo M3 x 25 mm														
D	20	13	Arandela 4mm													
21	16	Tuerca M3														
22	1	Tapa frontal														
23	1	Tapa trasera														
24	1	Techo														
E	25	2	Tornillo M3 X 40mm													
26	5	Tuerca M8 x 1.25 Autofrenante														
27	3	Arandela 8mm														
28	1	Arandela weger 8mm														
29	1	Tronillo 8x1.25														
30	1	Nivelador														
31	1	Laser														
F	32	1	Iman neodimio
